

Newsletter Spring/Summer 2010

In order to continue our mission we need more people behind the scenes. We need of a variety of committee members. CCHFH board and committee members spend on average less than 2 hours a month performing their function. Remember the saying, "many hands make light work".

The committees are:

Finance, Resources/Fundraising, Public Relations, Construction, Site Selection, Family Selection/Support, Church Relations

One specific need we have is the formation of a Church Relations Committee. This committee would be the liaisons with local ministry in Cayuga County. Building relationships with the churches to promote volunteer and financial support for CCHFH.

If you are interested in serving on any of our committees please call 255-1427 and leave your name and number or email cayugacountyhfh@yahoo.com.

Our purpose as stated in our bylaws:

*Cayuga County Habitat for Humanity, as an affiliate of Habitat for Humanity International, shall be a **non-profit Christian housing ministry** dedicated to helping people in Cayuga County and around the world have a simple, decent place in which to live. The goal of Habitat for Humanity is to eventually eliminate all poverty housing in the world. This will be accomplished by making shelter a matter of conscience. We attempt such an "impossible" goal because we know that, with God, all things are possible.*

Habitat projects build or renovate houses in partnership with low-income families and sell the houses at no profit and no interest. Funds and building materials are given by individuals, churches, and other organizations out of a motivation of faith and love. Returning house payments are recycled to build still more houses, or complete more renovations.

Cayuga County Habitat for Humanity will cooperate with other charitable organizations which are working to develop better habitat for economically disadvantaged people.

All funds will be used in the promotion of the aims of this organization in accordance with Not-For-Profit Corporation Law of New York State.

Habitat News ...

On January 29th a family of 3 moved in to the Wadsworth St home. Sara is working side by side completing her equity hours with our next homeowner Krista. Krista will purchase the 212 State St home upon completion of which we anticipate will be November or December.
